

GREEN RIVER 1885 KENTUCKY STRAIGHT BOURBON WHISKEY

Founded by John W. McCulloch in 1885 as Kentucky's tenth oldest distillery, Green River was celebrated for quality and became known as "the Whiskey Without Regrets" before being lost to history after prohibition.

Green River proudly presents 1885 Bourbon, a new staple for backbars across the country. An 85 proof expression aged four years and blended with bartenders' creativity in mind, Green River 1885 Bourbon honors the brand's storied history while bringing new life to the cocktail bars of today.

TASTING NOTES

Delicate hints of almond and zesty orange peel dance with warming cinnamon. On the palate lightly-spiced oak and clove carry into a clean and welcoming finish – clean and classic with caramel, vanilla, baking spice and Honeycrisp apple.
