

SINGLE BARREL KENTUCKY STRAIGHT WHEATED BOURBON WHISKEY

Green River Distillery is proud to present the most robust variation of our “Whiskey Without Regrets” with the Green River Wheated Bourbon Single Barrel expression. This exclusive program invites you to taste and select a single barrel of our signature wheated bourbon. Aged for over five years, this unique offering represents a small, carefully curated portion of our wheated bourbon, crafted to deliver an exceptional single-barrel experience.

TASTING NOTES

Orange peel, apricot, and cinnamon are balanced by toffee and pastry. A honeyed, round mouthfeel with hints of hazelnut leads to a lasting finish of traditional Kentucky flavor.
